

**Nashville Union.**  
**TERMS:**  
BY MAIL, IN ADVANCE.  
SINGLE COPIES, 10 CENTS.  
SUNDAY MORNING, DEC. 25, 1862.

**No Paper To-morrow.**  
The Printers of this Office as well as the rest of mankind will celebrate Christmas. They have resolved to devote the festive hours of this day to the participation of "good cheer," and domestic merry-making, in consequence of which arrangement, no paper will appear to-morrow.

**THEATRE.**—Our citizens continue to show their appreciation of Manager Durfield, and pay a well-merited compliment to the excellent company by nightly filling the Theatre to its utmost capacity. The interest in the performances seems to increase with each repetition. The House was again full last night, to witness the production of Bulwer's comedy of "Money."—Mr. HAMILTON appearing as "Alfred Evelyn," Mr. FOSTER as "Sir Frederick Blunt," Mr. ALLEN as "Sir John Vesey," Mrs. BERNARD as "Clara Douglas," Mrs. ALLEN as "Lady Franklin," and Mrs. SCANDAN as "Georgina Vesey." In the inimitable EVERETT, the recital of "Sainted Maria," found a good representative. The dance by the pretty Misses WOOD was encored. To-night will be a grand gala night at the Theatre. The bill for the occasion is one of the best yet offered—being the Musical Drama of "Kate Kearney," and a "Husband at Sight." Terpsichore has by no means been forgotten, and the pieces will not be marred by any weakness in cast or appointment.

Friday evening we are to have the "Serious Family," a Song and Dance, with the "Dead Shot" as an after-piece.

**Mails.**  
A very large army mail came on Tuesday night, but the quantity for citizens was very meagre, as on the night previous. Nearly all of our Exchanges failed, not a title of the usual number arriving. These failures are becoming a serious evil, and we hope that they will not be suffered to occur in the future.

**City Trade.**  
Quite a number of new grocery and dry-goods houses have been opened recently by new dealers, and considerable quantities of goods are coming in, giving an unwonted animation and briskness to our streets. Of course no trade is suffered to extend, for the present, into the surrounding country, for any considerable distance.

**Murder and Robbery.**  
We learn that a party of guerrillas are roaming through Robertson county, murdering and robbing. On last Saturday they went to the house of an old man named WAGNER, a preacher, robbed him of \$300 and then shot him dead. They also robbed one or two other citizens. Such are the defenders of Southern Rights. Their own rights would be found in the halter.

**FIRE.**—The alarm of fire last night at 9 1/2 o'clock was occasioned by the burning of a log house on North Cherry street near the Sulphur Spring Bottom. The engines succeeded in extinguishing the fire before it communicated to other buildings.

Alderman WILLIAM S. CHEATHAM has purchased the large wholesale liquor establishment of ARCHER CHEATHAM & BRO. No. 9, College street. Mr. C. is a clever gentleman, thoroughly loyal and deserves liberal patronage.

The River continues on a stand at present. Perhaps it is afraid that if it goes to rise the guards will shoot at it.

**IMPORTANT CAPTURE.**—Yesterday there was an unsuccessful attempt made to convey a large lot of "contraband" goods into Dixie. But the thing was too thinly veneered to get through undetected. Medicines, silks, cloth, shoes, boots, and a quantity of other articles desirable in Dixie, were sewed up in feather beds, and thus hidden, they were attempted to be smuggled through, but the vigilance of the guards was more than equal to the cunning of the "amiable wench," & Co., that we are informed undertook the job. The goods and parties are now at Headquarters undergoing an examination.

**A Card.**  
SURVEYOR'S OFFICE, EVANSVILLE, Ind.,  
December 20th, 1862.  
EDS. JOURNAL.—Sir: I have this day received the enclosed telegram from Gen. Boyle touching the contraband trade. Please publish in your paper.  
Respectfully yours,  
A. L. ROBINSON, Surveyor.

LOUISVILLE, Ky., Dec. 19th, 1862.  
To Collector Robinson:  
In pursuance of orders of Major Gen. Rosecrans, no steamboats will be permitted to ship up the Cumberland or Green rivers.  
Give notice to Lieut. Fitch, of the gunboats. The rebel army is supplied by contraband dealers.  
J. T. BOYLE, Brig. Gen.

The promptitude and unanimity with which the Army bill, appropriating \$731,000,000 for the prosecution of the war, was passed by the House, is very gratifying. Only three votes opposed the measure.

**Auction—"New Goods."**  
I will sell on Friday, December 26th, at 10 o'clock, A. M., a large, desirable and complete Stock of New Dry Goods, embracing White Goods, Embroideries, and Hosiery—also, a Stock of Shoes.—Merchants will secure bargains by attendance. No. 42, Public Square.

**Dr. King's Dispensary**  
FOR PRIVATE DISEASES.  

DR. KING, formerly of New York, for the last four years of Louisville, Ky., and who has devoted his attention to the treatment of private diseases for 20 years, matters having attended to a practice for so many years, and cured so many thousands, he is enabled to cure all diseases of a private nature, no matter how bad they may be from impudic medical treatment, or from neglect of their own. Dr. King's Dispensary is in No. 25 Decker street, between Cherry and the Square, second story, where he cures all diseases of a private nature. Gonorrhea cured without noxious medicines or interference with business. Stricture of old or recent date effectually cured in a few days, by an operation which causes no pain. Where a stricture exists health cannot be enjoyed. Perhaps no disease causes more mischief and undermines the constitution so much. Syphilis, with all the diseases of the skin, growing out of neglect or bad treatment, can be effectually cured in a few days. Seminal Weakness.—Particular attention having been given to this disease, and all the consequences growing out of it, brought on in many cases by the destructive habits of immoderate youths, and excessive indulgence of the passions, a neglect of which will undermine the constitution, rendering the subject unfit for business or society, and causing premature old age. Females who may be laboring with any difficulty of the womb may rest assured of immediate relief. Persons residing abroad, by writing and stating their case, with a fee enclosed, direct to Dr. A. King, No. 25 Decker street, Nashville, Tenn., will have the necessary medicine sent to their address. Office hours from 9 o'clock in the morning until 9 in the evening. [July 10—in daily.]

**NATIONAL CLAIM AGENCY**  
CONDUCTED BY  
HARVEY, COLLINS & BRACE,  
WASHINGTON, D. C.  
**CHARLES H. GREEN, Agent**  
No. 38, Cherry Street, Nashville, Tenn.

THIS AGENCY possesses peculiar facilities for the successful prosecution and settlement of all claims against the General Government of EVERY DESCRIPTION, its conductors having had several years' experience in the management of claims before Congress, the Court of Claims, and the Executive Departments at Washington, and being thoroughly acquainted and familiar with the laws and regulations governing their adjustment. Particular attention will be given to cases arising out of the present war, including the accounts of States, Contractors, and Disbursing Officers of the War and Navy Departments; and for "Collecting, Drilling, and Organizing Volunteers," the reimbursement of which is authorized by an act of Congress; CLAIMS FOR INDEMNITY FOR PRIVATE PROPERTY TAKEN FOR PUBLIC USES, OR FOR DAMAGES TO SUCH PROPERTY, for losses lost in the service, and for Military Pay, Pensions, and Bounty Land.

We give special attention to procuring Pensions, Bounties, etc., accruing to Soldiers who have been wounded, contracting diseases, or the families of such as have died, or been killed while in the discharge of their line of duty as such during the present war. Special care will also be given to claims which have been heretofore rejected or suspended by the Department or inefficiently managed. Prompt attention also given to the collection of Quartermaster's Receipts given for Property taken for the use of the Army, to arranging Accounts with and collecting Claims against the Quartermaster's Department. All Claims placed in our hands receive our Prompt Personal Attention, thereby securing many which, in the hands of an Attorney at any distant point, frequently prove unsuccessful. Aside from this decided advantage, our daily intercourse with all the Departments enables us in most cases to obtain decisions much more speedily than where all communication and other necessary details must be conducted through the mails. To this end, we solicit you to forward to us any or all cases of such character you may from time to time have presented, and, as is our custom, we will furnish you with all the necessary blanks, and, when required, instructions. No charge made in any case unless successful. Address: CHARLES H. GREEN, No. 38 Cherry Street, Nashville, Tenn.
